

300 S. IMPERIAL AVE., EL CENTRO, CA 92243
1 (877) RECYCLE

IMPERIAL VALLEY RESOURCE MANAGEMENT AGENCY (IVRMA)
TECHNICAL ADVISORY COMMITTEE (TAC)
AGENDA

DATE: **Thursday, October 27, 2022**
TIME: **3:00 p.m. – 4:00 p.m.**
LOCATION: **Hybrid- In person or Via Zoom at ICTC Offices, 1503 N. Imperial Ave., Suite 104, El Centro CA**

Chairperson: City of El Centro

Vice-Chair: City of Brawley

Individuals wishing accessibility accommodations at this meeting, under the Americans with Disabilities Act (ADA), may request such accommodations to aid hearing, visual, or mobility impairment by contacting ICTC offices at (760) 592-4494. Please note that 48 hours of advance notice will be necessary to honor your request.

Zoom Meeting Information is as follows;

<https://us06web.zoom.us/j/85180555412?pwd=WVNabHhCUTUxcDILSWdLM1ZMY3g0QT09>

To join by phone please dial (669) 444-9171
Meeting ID: 851 8055 5412
Passcode: 2022

PUBLIC COMMENTS

Any member of the public may address the Committee for a period not to exceed three minutes on any item of interest, not on the agenda within the jurisdiction of the Committee. The Committee will listen to all communication, but in compliance with the Brown Act, will not take any actions on items that are not on the agenda.

DISCUSSION/ACTION ITEMS

1. **Welcome and Introductions**
Presented by Chair and Representatives
2. **Review of the September 22, 2022 minutes** *DISCUSSION/ACTION* *pg(s). 2-3*
Presented by Chair
3. **Public Comments and Communication**
4. **Member Agencies Progress Reports** *DISCUSSION* *pg(s).4*
Presented by IVRMA Administration
5. **CalRecycle Grant Updates** *DISCUSSION* *pg(s).5*
Presented by IVRMA Administration
6. **Jurisdiction Compliance Progress** *DISCUSSION* *pg(s).6-8*
Presented by IVRMA Project Manager
7. **General Discussion /New Business** *DISCUSSION* *pg(s).9-*
Presentation by Kristian M. Salgado
8. **Adjournment**

CITIES OF BRAWLEY, CALEXICO, CALIPATRIA, EL CENTRO, HOLTVILLE, IMPERIAL,
WESTMORLAND, AND COUNTY OF IMPERIAL

IMPERIAL VALLEY RESOURCE MANAGEMENT AGENCY (IVRMA)
 TECHNICAL ADVISORY COMMITTEE (TAC)
 MINUTES

Meeting Date Thursday, September 22, 2022
Location Hybriz/Zoom 1503 N. Imperial Ave El Centro CA 92243
Start/End Time
Attendees: City of Brawley Steven Mireles
 City of El Centro Frank Pacheco
 City of Imperial Yvonne Cordero
 County of Imperial Jose Castañeda
 CalRecycle Roberta Goldenpenny
 CalRecycle Jill Larner
 CR&R Services Matthew Grey
 Republic Services Silvia Gerardo
 IVRAM Staff Daveline Villaseñor
 ICTC Admistration Staff Maricela Galarza

Absent: City of Calexico
 City of Calipatria
 City of Holtville
 City of Imperial
 Cioty of Westmorland

Welcome The IVRMA Technical Advisory Committee agenda for September 22, 2022, was put forward by Steven Mireles, Vice Chair. Vice Chair

Agenda Meeting startede at: 03:05 p.m. Steven Mireles

1 **Introduction**

2 **Joint Powers Formation of Agreement**

- Daveline advised the JPA has been approved by the City of Brawley, Calexico, Imperial, El Centro, Brawley, and Westmorland
- Maricela stated the Imperial County, Calipatria, and Holtville were pending approval of the JPA and were scheduled for the upcoming week.

IVRMA/ICTC Administration

3	SB1383 Checklist	<ul style="list-style-type: none"> •Daveline presented the jurisdictions SB1383 checklist. It was noted that IVRMA is currently providing on-site outreach and education to Edible Food Generators with the intent to evaluate the amount donated and the network of Edible Food Recovery Organizations available. •Jose Castañeda, County of Imperial noted the upcoming challenges of the food received. •Jill Larner, CalRecycle shared that Edible Food Capacity Planning is intended to provide opportunities to expand. 	IVRMA Project Manager Daveline Villaseñor
4	General Discussion	<ul style="list-style-type: none"> •Roberta Goldenpenny reported the electronic Annual report (EAR) 20221 is due on October 3, 2022. Regenerated the information needed for SB1383 is for the term of January 1, 2022, through June 30, 2022, •Jill Larner indicated there will be a Webinar on the electronic Annual Report scheduled for September 27, 22. •Daveline, IVRMA provided information on the outreach and education given through a number of community events and school presentation participation. 	Open
5	Adjournment	Meeting adjourned at: 04:08 p.m.	Steven Mireles

The next meeting of IVRMA TAC meeting is tentatively scheduled for January 26, 2023.
 For questions, please contact Daveline Villaseñor at (760) 297-8674.

Member Agencies Progress Reports

Jurisdiction’s Annual Fall Review 2020: CalRecycle Local Assistance and Market Development, Roberta Goldenpenny and Jill Lerner have expressed a tentative date, in November 2022, to visit the Imperial Valley for the annual progress review of the following implementation for the local programs; AB 341 Mandatory Commercial Recycling (MCR), SB 1826 Mandatory Commercial Organics Recycling (MORe) and AB1383 Short-Lived Climate Pollutants (SLCP): Organic Waste Methane Emissions Reductions and determine if the jurisdiction has met the requirements of AB 939 (known as the Integrated Waste Management Act [IWMA]). IVRMA is available to meet with each city representative to prepare for the review. Jurisdictions will be expected to meet the requirements requested on the 2021 Fall Annual Review and MCR & MORe Plan currently being worked on by each member agency.

Electronic Annual Review (EAR2021): IVRMA has submitted the 2021 Electronic Annual Review in the representation of all (8) jurisdictions. The annual report describes the progress a jurisdiction has made in achieving the Integrated Waste Management Act requirements, (AB 939, Chapter 1095, Statutes of 1989). The EAR collects information on the jurisdiction’s SRRE and HHWE diversion programs, recycling programs at large venues and events, and SB1826 Mandatory Commercial Organics Recycling progress and AB1383 Short-Lived Climate Pollutants (SLCP): Organic Waste Methane Emissions Reductions. A complete Electronic Annual Report (EAR) for the year 2021 is attached for your review. (See attached report on pgs 10 -86)

Annual Form 303 Household Hazardous Waste Collection Report: Imperial Valley Resource Management Agency has begun the collection of data required to submit and complete Form 303. The information reported is the collected amounts of Household Hazardous Waste (HHW), including Universal Waste (UW) and other related waste collected from July 1 through June 30 throughout the (3) three HHW Facilities located in Brawley, El Centro, and Calexico. The reporting form is due November 01, 2022.

Capacity Planning Requirements: Capacity planning reports were due to CalRecycle on August 1, 2022. Jurisdictions are responsible for submitting the implementation schedule for collecting organic waste recycling capacity information from jurisdictions.

DID YOU KNOW? | 

- **Batteries are considered hazardous waste in California when they are discarded**
- Batteries with a small voltage like commonly used AA and AAA alkaline batteries can start a fire under the right conditions
- All batteries must be recycled or taken to a household hazardous waste disposal facility, a universal waste handler
- Batteries are potentially a valuable source of recyclable metal

CalRecycle Grant Updates

City/County Payment Program: CalRecycle has announced the City/County Payment Program for the Fiscal Year 2022-23 due January 17, 2023. SB 1013, Beverage container recycling. This bill expands the California Beverage Container Recycling and Litter Reduction Act to include wine bottles and distilled spirit containers. This program aims to reach and maintain an 80% recycling rate for the California Refund Value of beverage containers from aluminum, glass, plastic, and bi-metal. The grant's eligible activities are water refill station installation and maintenance, advertising/promotion, education and outreach at community events, on-site school presentations, and litter clean-up events focusing on the AB341 Mandatory Commercial Recycling mandate. Funding is based per capita basis. The minimum amount eligible is \$5,000.00. This grant has been submitted by IVRMA since 2009 in the representation of all member agencies. IVRMA will submit a request for funding on the due date noted. (See pages 86-102)

Beverage Container Redemption Pilot Project Grant: CalRecycle also has an ongoing Beverage Container Redemption Pilot Project Grant which allows opportunities for the California local government and recycling center operators to improve redemption opportunities for eligible beverage containers and increase recycling rates in unserved convenience zones statewide. The projects supported by these funds are numerous possibilities and flexible for methods of redemption including stationary drop-off locations with a locked and secure drop-off bin that pays consumers, mobile pilot projects, that allows pick up at your own home, and rotating mobile recycling centers that can move from city to city. Please click on the link for additional information: <https://www.calrecycle.ca.gov/bevcontainer/recyclers/pilot2018>

<https://youtu.be/dqvtNaDyeFI>

SB1383 Local Assistant Grant Program: The Local Assistant Grant FY 2020-21 (Cycle 1) is due on November 03, 2022. This grant was applied for by a member agency. IVRMA will not be submitting an expenditure report on behalf of the member agencies.

Waste Tire Amnesty Grant (TA): The Final Payment Request for the Waste Tire Amnesty Grant was submitted on September 2022 for the total amount of \$64,000. During the cycle of this grant, we collected over 8,000 tires throughout the member agency clean-up events.

Local Government Waste Tire Clean-Up Grants: The Final Payment Request for the Local Government Waste Tire Cleanup Grant, TCU18, was submitted for \$214,473.69. During the cycle of this grant, IVRMA collected over 20,900 illegally dumped tires throughout all (8) jurisdictions in the course of two years. This grant is now closed. IVRMA has received the Notice to Proceed (NTP) for TCU19 as effective as of October 14, 2022. The amount granted is not to exceed a total of \$250,000.00 for the collection of 40,000 illegally dumped tires. The grant provides funding for the collection of illegally dumped tires and their activities for the term of two years from the date noted on the NTP through September 2024. IVRMA Tire Crew will commence the collection of tire pick-up requests for illegally dumped tires. We appreciate you contacting IVRMA for your requests and your patience.

Jurisdiction Compliance Progress

Procurement: Jurisdictions are recommended to encourage the local government or businesses to establish a written procurement policy. The Buy Recycled program promotes the State’s policy to “buy green.” IVRMA has provided outreach and education on buying recycled products to 3 schools, 4 community events, and one litter clean-up event during 2022. The presentation provides residents and students with information on examples of recycled products sold in local markets, household items that can be reused, and information on the natural resources reduced when using recycled products. The objective of this presentation is focused on informing the communities of the importance of managing resources, reducing trash, reusing, and recycling. Sample procurement policies are available from CalRecycle’s [Environmentally Preferable Purchasing Laws and Policies](#) page.

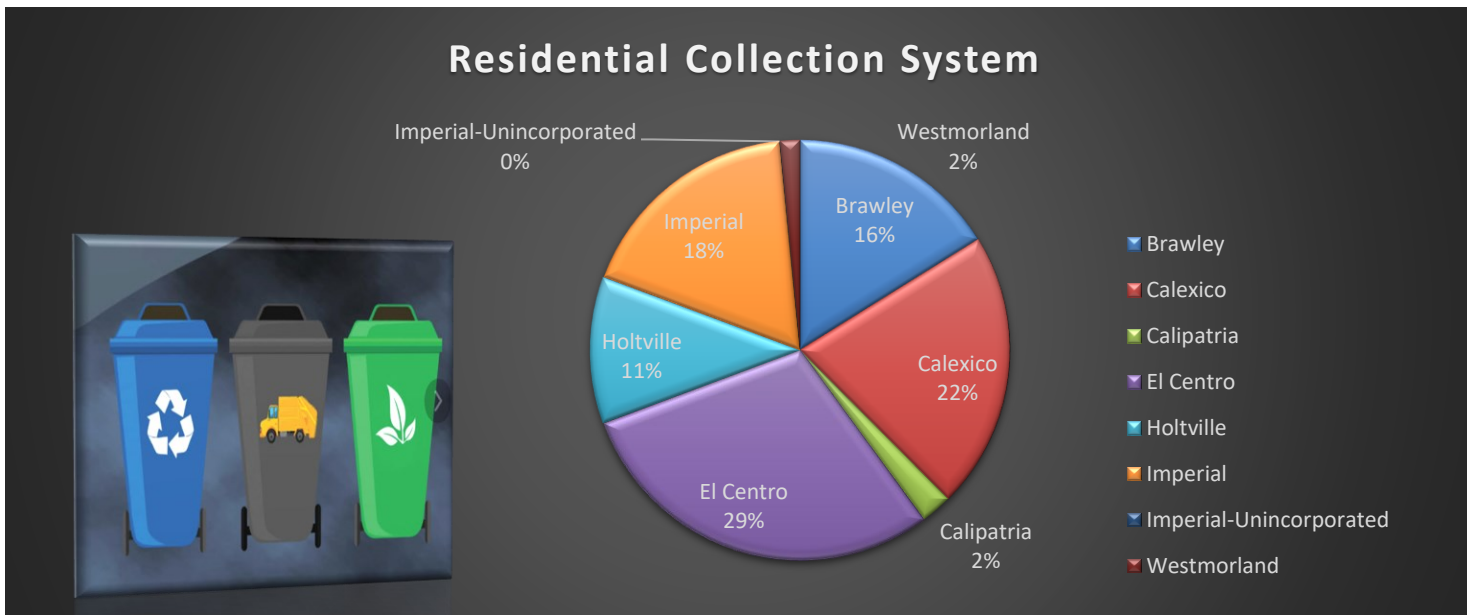

Edible Food Recovery: IVRMA has been working in collaboration with the Imperial County Public Health Department during tier 1 food inspections. In the months of September and October, IVRMA provided outreach and education to local supermarkets and met with the main point of contact in charge of sending out donations. During these on-site visits, we encounter locations unaware of the requirements under SB1383 Edible Food Requirement mandates. Sites visited in the City of Brawley, El Centro, Holtville, and Calexico were confirmed to have an organic bin in place. However, when evaluating the organic bin some appeared to be contaminated. IVRMA will be working with local markets under Tier 1 to assist them with the process of donating edible food to the local Edible Food Recovery Organizations (EFRO) and the monitoring of contamination. In efforts to decrease contamination IVRMA has been requested to assist at the store’s monthly staff meetings to provide a presentation on compost to employees.

Total sites visited per jurisdiction:

Jurisdiction name	Number of commercial edible food generators	Number of food recovery organizations and services	Total pounds of edible food recovered by food recovery organizations and services
Brawley	2	0	0.00
Calexico	0	0	0.00
Calipatria	0	0	0.00
El Centro	2	0	0.00
Holtville	3	0	0.00
Imperial	0	0	0.00
Imperial-Unincorporated	0	0	0.00
Westmorland	0	0	0.00
Total:	7		0

Collection System: SB 1383 requires that clean streams of organic material be collected, recovered, and recycled into new end-products like compost or biofuel. The information requested on the Electronic Annual Report (EAR) under the SLCP Collection Container System for residents was based on the information provided by jurisdictions for the year 2021. The data collected indicates that a total of over 30,0000 residents throughout the Imperial Valley receive the 3+ collection system. The residential is provided with 3- 96 gal carts, black for trash, blue for recycling, and green for yard/food. The commercial has 2 metal bins, 1 for trash, 1 for recycling, and a 68-gal green cart for organic. Only 463 accounts for the City of El Centro were reported to have been exempted from organic services due to the non-generation of material. The County of Imperial is currently evaluating the total number of subject properties. At this time there is no franchise hauler agreement reported for the County of Imperial. The graph below reflects the percentage reported under the 3+Collection System for the EAR 2021.

Commercial & Residential Programs: The Commercial & Residential Programs in the Imperial Valley reflect the material types collected and diverted by residents, commercial properties, and large venues/events. Any concrete, asphalt, mulch, trimmings, household hazardous waste collection facilities, and composting programs is data that can be reported on the EAR. Other materials that can be reported are on-site composting/mulching, materials exchanged at thrift shops, such as furniture, clothing, scrap, bulky items or white goods, household items, and any materials that are diverted from the landfill. Activities at large venues and events can generate a significant amount of waste in a short period. Jurisdictions are encouraged to follow through with their franchised hauler to submit the data sheet and ensure the containers facilitate the proper recycling for residents attending events. A sample of the letter and Diversion Recycling Data Sheet are attached. (See attached samples on pgs. 103-108). Please note that the information on the Venue/Event Waste Diversion/Recycling Data Sheet is required upon adding an event on the EAR.

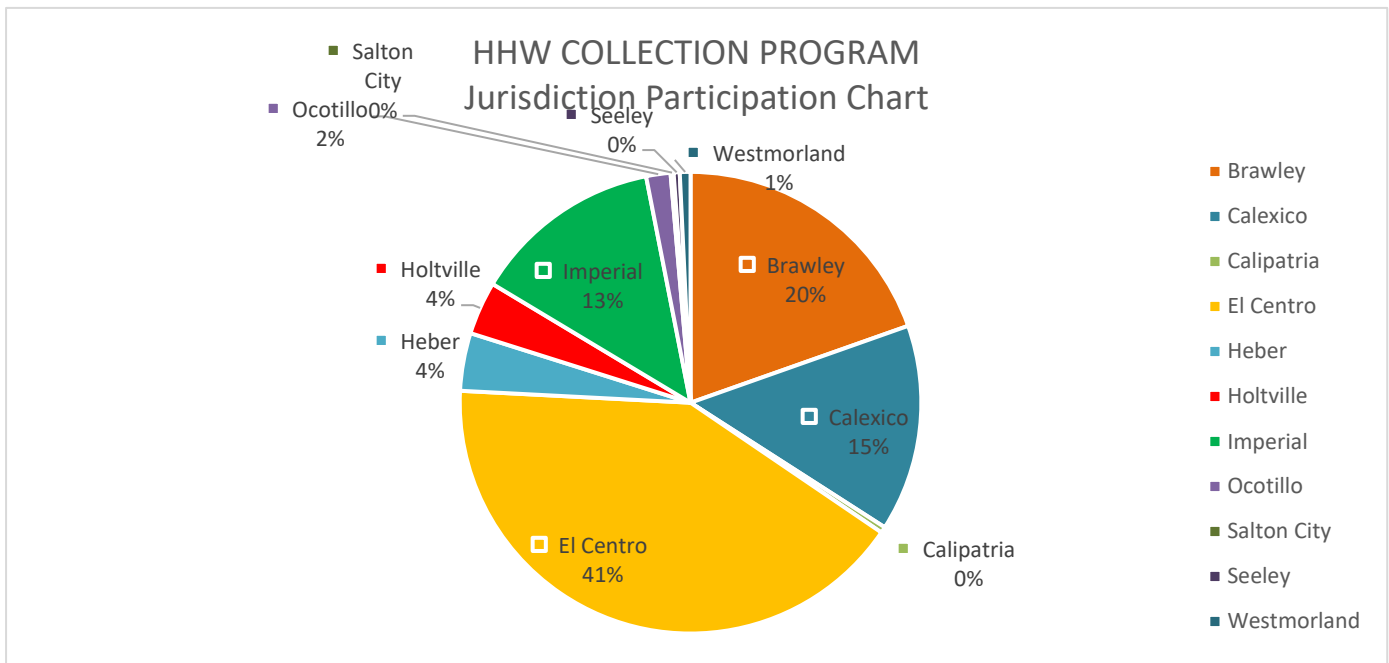

Education & Outreach: IVRMA would like to propose a volunteer outreach program that will assist member agencies with education and compliance. The program would benefit all jurisdictions to increase awareness of the recycling mandates and build the regional education campaign. This will be at no additional cost to member agencies. Volunteers would provide support to our staff at community events, litter clean-up events, school presentations, and city clean-up events. During the years 2021 and 2022, IVRMA has participated in over 53 events throughout all jurisdictions. For the year 2022, we have thus far provided education at 19 city clean-up events in collaboration with the franchised haulers, 4 elementary school presentations, 1 litter clean-up event with the support of the City of Calexico, and over 38 community events and the year is not over yet! In recent months we have received an increase in demand to participate in local events by public agencies. IVRMA currently has 1 Outreach and Education Coordinator. Integrating an environmental volunteer program would provide support to be able to participate in all events requested. I would like to recognize Clarissa Delgado, our Education and Outreach Recycling Coordinator for doing such an awesome job in coordinator and promoting the education and awareness of the 6 “R’s” **“REFUSE, REDUCE, REUSE, ROT, RECYCLE, and REPAIR** under the CalRecycle mandate

requirements through all these events and social media.

MWELo, CALGreen, C&D: **MWELo**-All agencies in California must adopt, implement, and enforce the [Model Water Efficient Landscape Ordinance \(MWELo\)](#) or an ordinance that is at least as effective in conserving water. The MWELo requires efficient landscape design, including the use of compost and mulch, to conserve water. AB 2515 requires the California Department of Water Resources (DWR), by January 1, 2020, and at least every three years thereafter, to update the MWELo or make a finding that an update at that time is not useful. During the submission of the EAR for 2021, it was discovered that only the City of El Centro has submitted an MWELo report or an ordinance under the requirements for the California Department of Water Resources (DWR). IVRMA would like to request an update on the status of each jurisdiction for reporting purposes for the EAR 2022. The EAR data requires information such as the number of projects subject to the Model Water Efficient Landscape Ordinance (MWELo). **CALGreen** -CALGreen requires covered projects to recycle and/or salvage for reuse a minimum of 65% of the nonhazardous construction and demolition waste or meet local construction and demolition waste management ordinance, whichever is more stringent. IVRMA did not receive any data on construction and demolition debris removal activities conducted in compliance with CALGreen. **C&D** -C&D diversion ordinances include a requirement that a waste management plan (WMP) be completed and submitted before the beginning of a project. IVRMA received minimal data on the diversion of C&D materials such as asphalt paving, brick, concrete/cement, gypsum board or drywall, rock, soil, fines, mixed C&D, and any data on the materials mentioned. It is encouraged for jurisdictions to provide IVRMA with any C&D-related tonnage for the reporting purposes of the EAR calendar year 2022.

Household Hazardous Waste (HHW) Programs: The Household Hazardous Waste Facilities provide Free drop-off for residents in the Imperial Valley to properly dispose of Sharps, E-Waste, Oil, and HHW products that are flammable, corrosive, poisonous, toxic, and batteries, thermostats, and fluorescent lamps. During the calendar year 2021, the facilities in combination have collected over 197,400 lbs. of household hazardous waste materials. The chart below reflects a breakdown of the amounts collected per material type. IVRMA’s three household hazardous waste facilities are certified used oil collection centers. Residents and Conditionally Exempt Small Quantity Generators (CESQGs) can dispose of and responsibly manage household hazardous waste products.

General Discussion Items/New Business:

IVRMA TAC Request to go dark: IVRMA is requesting to go dark during the month of November and December and hold the next meeting on January 26, 2022.

Water Fountain Refill Stations: The City/County Payment Program provides funding for water bottle refill stations/water fountains encouraging the Zero Waste goal and reduction of plastic water bottles used by providing the ability to refill reusable water bottles. IVRAM would like to open an assessment and recommendations on the best practice to move forward using the funding provided by these programs. The total combined funding of this cycle’s grant is a little over \$50,000 which includes the cost of advertisement, education, and outreach for school presentations, litter clean-up events, community events, and recycling waste baskets for all 8 jurisdictions.

IVRMA Trailer Inventory: IVRMA currently stores 7 trailers parked in the City of El Centro. Below is a list of the year, make, and model of the trailers. IVRMA would like to request the transfer/donate the trailers to the cities for better use. The trailers will require minimal repairs and are available to look at upon request. Attached is the Application for the Replacement or Transfer of the Title needed according to the DMV process. Pictures, Certificate Title, and list of trailer information with value will be emailed directly to city representatives upon request. (See attached forms on pgs. 108-110)

- (1) 2003 Zieman Tilt Ramp
- (1) 2004 Wells Cargo Gooseneck
- (1) 2006 Roadclipper Pacesetter Flatbed
- (2) 2005 Roadclipper Pacesetter Flatbed
- (1) 2007 Roadclipper Utility Flatbed
- (1) 2003 Big Tex Gooseneck

SB1383 Edible Food Recovery Alliance: IVRMA would like to propose a monthly meeting with participating Edible Food Recovery Organizations to co-align with IVRMA and work together on a network of locations and availability to receive outreach and education with the internet to better manage and grow the donations available.

The Imperial County Public Health Department, Yoli Viviana Sanchez, Health Program Coordinator would like to work in correlation with IVRMA’s Outreach & Education Department in efforts to bring awareness per the requirements of the CalFresh program and SB1383 Edible Food Recovery requirements. Ms. Sanchez has provided a list of Edible Food Recovery Organizations and is available to speak to the committee on how this teamwork will benefit the jurisdiction’s compliance efforts. (See the attached list on pgs. 111-112)

Master Gardener Program Presentation

Kristian M. Salgado from the University of California Cooperative Extension -Imperial County has invited IVRMA to team up and promote education on the importance of composting and the benefits of the Master Gardener Program. Ms. Salgado has provided a presentation on the benefits of the Master Gardener Program to show jurisdictions how this program can increase the jurisdictions on SB1383 requirements and procurement mandates. (See attached presentation on pgs. 113-130)

2021 Imperial Valley Resource Management Agency Electronic Annual Report summary

This Annual Report Summary is an official record of your CalRecycle Electronic Annual Report submission, except for your Venue/Event section information, which is contained in a separate report.

You may reach that section from the Electronic Annual Report's left navigation bar. Before submitting your report to CalRecycle, please take the time to review everything on this page to confirm it is complete and correct. If you need to modify some information, close this window to return to the Electronic Annual Report to make your corrections. Then, preview the report again.

Commercial Programs: Imperial Valley Resource Management Agency (2021)

Material Types Collected

Paper

- Uncoated corrugated cardboard
- Paper grocery bags
- Other paper bags/kraft paper
- Newspaper
- Office paper (white & colored ledger, computer paper, other office paper)
- Magazines and catalogs
- Folding cartons and other paperboard packaging
- Other recyclable paper (describe in box below)
- Miscellaneous paper packaging (describe in box below)
- Aseptic containers
- Gable-top cartons
- Compostable paper - non-packaging
- Compostable paper - packaging
- Remainder/compost paper - other (describe in box below)

Landscape materials

- Leaves and grass
- Prunings and trimmings
- Branches and stumps

Building products

- Clean dimensional lumber
- Clean engineered wood
- Clean pallets and crates
- Wood waste - treated/painted/stained
- Other recyclable wood (describe in box below)
- Remainder/composite organic (describe in box below)

Food

- Foodwaste
- Food soiled paper

Glass

- Glass

Metal

- Aluminum
- Tin/Steel

Plastic

- Plastic #1 - PET
- Expanded or foamed plastic (any resin type)
- Film plastic (any resin type)
- Plastic #2 - HDPE
- Plastic #3 - PVC
- Plastic #4 - LDPE
- Plastic #5 - PP
- Plastic #6 - PS
- Plastic #7 - Other

Other

- Biosolids
- Digestate
- Manure
- Sludges
- Organic textiles and carpet
- Other materials (describe in box below)

Describe Materials(s):

SRRE Programs

Program Name	Program description
<input checked="" type="checkbox"/> 1020-SR-BWR Business Waste Reduction Program	2021 IVRMA: IV Food Bank (IVFB) food assistance program distributed over 932,838 lbs of food during 2021. Over 871,000 lbs. of food were donated from local farmers and local stores (Aldi, Food 4 Less, Walmart, Target, Vons, and Costco). Any non-usable food or non-eatable food is picked up by the goat farm and fed to the animals. IVFB is partnered with 32 agencies and Mobil Food Pantries in locations throughout Ocotillo, Winter Haven, 4 in Calexico, Brawley, Salton Sea, Bombay, Niland, Calipatria, El Centro, Heber, and Westmorland.

<input checked="" type="checkbox"/> 1050-SR-GOV Government Source Reduction Programs	<p>2021 IVRMA commercial properties recycle mulch. Asphalt and concrete recycling is still used on county roads to cover potholes. haulers have begun to roll out organic totters to residents for organic green waste. Commercial properties such as golf courses recycle mulch. Mowers are set up to grasscycle and monthly mailers are sent to businesses with the SB1826 MORE information.</p>
<input checked="" type="checkbox"/> 2030-RC-OSP Commercial On-Site Pickup	<p>2021 IVRMA: Electronic: IVRMA’s website and social media provide residents with information on AB341 MCR, SB1826 MORE, AB1383 SLCP, and AB939 Household Hazardous Waste programs and locations. City websites provide a link to IVRMA and CalRecycle, city ordinance, and information on Cal Recycle Mandates and hauler collection information. Print: IVRMA and its member agencies provide residents with information about the state law to be inserted with the Cities’ commercial refuse billings. The frequency of sending this out in the billings was proposed to be as needed. Hauler/IVRMA provides brochure guides when making direct contact with businesses/complexes or during participation on community/outreach events. City to send noncompliance letters to non-participating businesses. Media: IVRMA runs a 30-second video at the local DMV department in the cities of El Centro and Brawley on AB341. Direct Contact: The IVRMA conducts presentations to businesses and/or the local Chamber of Commences about the state requirements when warranted or upon request. The haulers’/IVRMA staff informs businesses/MF complexes about CalRecycle mandates as they talk to them about the collection system. IVRMA provides additional outreach and education to multifamily and businesses once service begins to encourage participation and reduce contamination. IVRMA also participates in litter clean-up events, city clean up events, and community events to increase awareness of recycling mandates and the proper disposal.</p>
<input checked="" type="checkbox"/> 2050-RC-SCH School Recycling Programs	<p>2021: During the calendar year 2021 IVRMA could not provide any on-site school presentations. IVRMA participated in back-to-school events and ride-your-bike-to-school rallies to give children education/information on recycling mandates. IVRMA provides 5 different recycling presentations or informative booths in English and Spanish:(1) Introduction to Recycling (2)Buying Recycling Products (3)Used oil and beyond (4) Household Hazardous Waste (5)Vermi Composting. Information is for audiences from K-12th grade. Recycling wastebaskets are provided to schools for in-class separation of recyclables. Haulers have a solid waste contract with the schools and recycling is offered and cost varies from school to school.</p>
<input checked="" type="checkbox"/> 2060-RC-GOV Government Recycling Programs	<p>2021: City entities have encouraged recycling containers to be located next to the desks, in the break room, and in conference rooms. White office paper recycling is available. Office equipment and toner cartridges are recycled by UPS daily as generated. Corporation Yards/ Fleet Services: recycle mechanical fluids including used oil, brake fluids, and antifreeze. Car batteries from the fleet of vehicles are exchanged when batteries are replaced and properly disposed of.</p>
<input checked="" type="checkbox"/> 3020-CM-COG Commercial On-Site Greenwaste Pick-up	<p>2021: the University of California in the City of Holtville, has a Master Gardener Program and will be applying alongside California Alliance for Community Compost to provide residents the opportunity to learn hands-on about composting. Given the program, the University of California is looking at building 4 compost hubs and working with schools throughout the Imperial Valley.</p>

<input checked="" type="checkbox"/> 3035-CM-COR Commercial Organics Recycling	<p>2021: Republic Waste Services has an MRF located at 702 E. Heil Ave in El Centro, Ca. Which is used for their franchised cities Brawley, Calexico, & Imperial. Republic Also owns a Landfill in Yuma Az (Cooper Mountain Landfill) which is permitted for organics composting and no longer using green waste as ADC at Imperial Landfill. CR&R owns a landfill in Yuma (South County Yuma Landfill) that is permitted for organic composting. CR&R takes all their green waste to Yuma for composting. During the year 2022, the jurisdiction worked with the franchised haulers on new rates, and roll-out timelines, and updated their franchised contracts.</p>
<input checked="" type="checkbox"/> 3040-CM-FWC Food Waste Composting	<p>2021- Imperial Valley residents, multifamily dwellings, and businesses have been receiving organic containers or totters. FRanchised haulers have changed the lids on recycling containers with green for organic waste. Roll-out to all residents, multifamily dwellings, and businesses in progressing.</p>
<input checked="" type="checkbox"/> 3050-CM-SCH School Composting Programs	<p>2021: the University of California in the City of Holtville, has a Master Gardener Program that provides residents and children the opportunity to learn hands-on about compositing. The El Centro Elementary School provides children with e a compost yard and education.</p>
<input checked="" type="checkbox"/> 3060-CM-GOV Government Composting Programs	<p>2021: No Changes</p>

SRRE Programs

Program Name	Program description
<input checked="" type="checkbox"/> 1010-SR-BCM Backyard and On-Site Composting/Mulching	2021: the University of California in the City of Holtville, has a Master Gardener Program and will be applying alongside California Alliance for Community Compost to provide residents the opportunity to learn hands-on about composting. Given the program, the University of California is looking at building 4 compost hubs and working with schools throughout the Imperial Valley.
<input checked="" type="checkbox"/> 1060-SR-MTE Material Exchange, Thrift Shops	2021: The Imperial Valley has continued to collect and distribute recovered food through the local Food Bank, Salvation Army, Church food drive, and homeless shelters. Local Salvation Army Thrift shops and the Women Haven all make significant contributions to the community with clothes, household items, and furniture that are given to residents or sold in thrift stores. The estimated number of reused and recycled items increased during the pandemic COVID-19 from Woman Haven and Salvation Army Thrift Stores to 70 tons a year. Woman Haven and Salvation Army accept many kinds of donations for the community to reuse. Woman Haven and Salvation Army accept donations from cars, cash, boats, trucks, vans, RVs, clothing, furniture, canned goods, household items, and more. Typically a travel-load truck a month or about 85 tons a year.
<input checked="" type="checkbox"/> 2000-RC-CRB Residential Curbside	2021: No Changes. The cities of Brawley, Calexico, and Imperial collected recyclables and are taken to the MFR located in El Centro. Calipatria, El Centro, Holtville, and Westmorland cities recyclables are taken to their MRF located in Yuma, AZ. The County of Imperial has now three environmental waste haulers serving the unincorporated areas: Burrtec Environmental, CR&R Environmental Waste Services, and Republic Waste Services, providing curbside service.
<input checked="" type="checkbox"/> 2010-RC-DRP Residential Drop-Off	2021:Imperial Valley residents are provided with 3 96 gl carts, black for trash, blue for recycle and green for yard/food. The commercial properties has 2 metal bins, 1 for trash 1 for recycle and a 68 gl green cart for organic.
<input checked="" type="checkbox"/> 3000-CM-RCG Residential Curbside Greenwaste Collection	2021: No changes
<input checked="" type="checkbox"/> 3010-CM-RSG Residential Self-haul Greenwaste	2021: the University of California in the City of Holtville, has a Master Gardener Program and will be applying alongside California Alliance for Community Compost to provide residents the opportunity to learn hands-on about composting. Given the program, the University of California is looking at building 4 compost hubs and working with schools throughout the Imperial Valley.

Jurisdiction Name	Describe education and outreach selected
Brawley	Emails and mailers are sent to residents by Republic Services Outreach Coordinator.
Calexico	No report available.
Calipatria	No subject properties to report at this time.

Jurisdiction Name	Describe education and outreach selected
El Centro	CR&R and IVRMA provided direct outreach and education materials to locations in and out of compliance during site visits. IVRMA participated in community events, litter cleanup events, and city clean-up events and provided outreach and education materials with presentations.
Holtville	CR&R and IVRMA provided direct outreach and education materials to locations in and out of compliance during site visits. IVRMA participated in community events, litter cleanup events, and city clean-up events and provided outreach and education materials with presentations.
Imperial	No data was reported by the hauler.
Imperial-Unincorporated	The County of Imperial is currently assessment subject properties. It does not have a current franchise agreement in place. Letters were sent to all residents advising of the current CalRecycle State Mandates.
Westmorland	CR&R and IVRMA provided direct outreach and education materials to locations in and out of compliance during site visits. IVRMA participated in community events, litter cleanup events, and city clean-up events and provided outreach and education materials with presentations.

SRRE Programs

Program Name	Program description
<input checked="" type="checkbox"/> 5000-ED-ELC Electronic (radio ,TV, web, hotlines)	2021: IVRMA ran 23 public service radio announcements for City/County clean-up events. The Cities and County of Imperial continue to promote the educational program on city websites and social media. Franchised haulers provide bi-monthly flyers on recycling education and sustainability. IVRMA has also participated in over 20 community and litter clean-up events providing residents with an informational booth and educational flyers on AB341, SB1383, and AB939 and a representative available on-site to answer any questions.

<input checked="" type="checkbox"/> 5010-ED-PRN Print (brochures, flyers, guides, news articles)	<p>2021 Electronic: IVRMA’s website and social media provide MCR, MORE, AB939, and SB1383 requirements information and educational recycling games. The franchised haulers, cities, and the County of Imperial have MCR, MORE, AB939, and SB1383 information on their web pages. Information, tips, and educational facts are shared through Social Media web pages by cities, County of Imperial, and IVRMA. A recycling guide is shared on IVRMA’s website. A video on AB341 plays every 30 seconds at the local DMV department in Brawley and El Centro cities.</p> <p>2021 Print: The IVRMA provides flyers and tri-folds on AB341, AB939, and SB1383 to residents and business owners. Free recycling waste baskets are provided to residents that are in compliance with recycling. Franchise Halers; Republic, and CR&R send out a newsletter with information on MCR and SB1383. The frequency of sending this out in the billings was proposed to be as needed. The city sends noncompliance letters to non-participating businesses. IVRMA stocks educational flyers at city halls, and public entities such as libraries, community centers, cool centers, etc.</p> <p>2021 Direct Contact: The IVRMA conducts presentations to businesses and the local Chamber of Commences about the state requirements when warranted or upon request. The haulers’/IVRMA staff informs businesses/MF complexes about AB341 as they talk to them about collection service. IVRMA provides additional outreach and education to multifamily and businesses once service begins to encourage participation and reduce contamination. During Annual site visits, LAMD staff, IVRMA, and Hauler visit customers that refuse to have recycling to assess the situation and encourage participation. Republic Services franchised cities: Brawley, Calexico & Imperial residents were provided with education when making direct contact with businesses/complexes, or when participating in community events.</p>
<input checked="" type="checkbox"/> 5020-ED-OUT Outreach (tech assistance, presentations, awards, fairs, field trips)	<p>2021: IVRMA has participated in over 20 community and litter clean-up events providing residents with an informational booth and educational flyers on AB341, SB1383, and AB939 and a representative available on-site to answer any questions.</p>
<input checked="" type="checkbox"/> 5030-ED-SCH Schools (education and curriculum)	<p>2021: Due to the COVID-19 pandemic restriction, IVRMA has not been able to provide any on-site school presentations for this year. Instead, IVRMA in correlation with the jurisdiction, IVRMA participated in back-to-school rallies providing recycling education and information to children, parents, and participating residents.</p>
<input checked="" type="checkbox"/> 5040-ED-OTH Other Public Education	<p>2021 IVRMA uses social media, and radio ads, outreach in collaboration with the cities. Department of Health works with IVRMA to provide outreach and education on SB1383 during health inspections. The University of California provides a program composting.</p>

- Mixed C + D

SRRE Programs

Program Name	Program description
<input checked="" type="checkbox"/> 1000-SR-XGC Xeriscaping/Grasscycling	2021: Education is provided to residents on green waste recycling. The City's and County Parks and Recreation areas continue mulching practices where the grass is not picked up. Organic education and recycling bins or totters are provided to businesses with landscaping services. Business owners and property managers offer informational flyers and pamphlets promoting green waste recycling. Greenwaste education is shared on social media and city halls. Areas around building entrances and public right of ways continue using grass clippings are mulched and left on the ground de service.
<input checked="" type="checkbox"/> 1070-SR-OTH Other Source Reduction	2021: Cities of Brawley, Calexico, Calipatria, El Centro, Holtville, Imperial, Westmorland, and the County of Imperial have implemented a source reduction program ordinance for SB341, SB1826, and AB1383. All jurisdictions have planned to complete MCR and Organics rollouts by the end of 2022.
<input checked="" type="checkbox"/> 2070-RC-SNL Special Collection Seasonal (regular)	2021: IVRMA works in correlation with the franchised hauler and throughout the county to provide residents with a monthly city clean-up. During 2021 IVRMA participated in over 20 city and county wide clean up events. IVRMA has three HHW facilities that will accept used tires and e-waste which will be taken to certified recyclers to be recycled.
<input checked="" type="checkbox"/> 2080-RC-SPE Special Collection Events	2021: Jurisdiction and County-wide provided a total of 22 city clean up events to residents. Over 52,299 tons of E-Waste and 4,225 tires where collected.

<input checked="" type="checkbox"/> 2090-RC-OTH Other Recycling	2021: Jurisdiction is working with ICTC to reduce the development of greenhouse gas emissions. looking into zero-emission technology and zero-emission bus concepts. In addition to the recycling education and outreach efforts on SLCP, cities alongside the Imperial County Transportation Commission (ICTC) is currently working on the reduction of border wait times and other concepts to reduce greenhouse gas emission. Other programs available are mattress and carpet recycling.
<input checked="" type="checkbox"/> 4020-SP-TRS Tires	2021: IVRMA manages two separate Tire Grans The Amnesty Grant (TA5) is used for City/County clean-ups of which 22 events were held for the year 2021 collecting over 8,500 tires. Tire Clean Up Grant TCU 18 is a two-year grant that is used to pick up illegally dumped tires in Imperial county. In 2021IVRMA picked up over 20,000 tires that were sent to a certified tire Recycler (Rubber Recovery Inc.) where they are recycled by the process of reducing the tires to crumb and then manufactured into other products.
<input checked="" type="checkbox"/> 4030-SP-WHG White Goods	2021: Monthly bulky item pick-up is availbe to residents of the Imperial Valley at no additional charge once a month. Franchised haulers, CR&R and Republic have bulky item pick up program that allows residents to dispose of furninture, mattresses, and white goods preoperly. resident may call the hauler to pick up no more than 5 items per-stop within a 30 day time period.
<input checked="" type="checkbox"/> 4040-SP-SCM Scrap Metal	2021:SA Recycling located at 460 East Holton Rd. El Centro is a complete scrap yard accepting a wide assortment of ferrous metals, including vehicle recycling,appliances, oil filters, and demolition services. Responsible for diverting tons of material from the local landfills.
<input checked="" type="checkbox"/> 4050-SP-WDW Wood Waste	2021:CR&R takes the collected wood waste to Stanton for chipping. No additional information or changes were reported.
<input checked="" type="checkbox"/> 4060-SP-CAR Concrete/Asphalt/Rubble	<p>2021:Cities of Brawley, Calexico, Calipatria, El Centro, Holtville, Imperial, Westmorland, and the County of Imperial have C&D ordinances in place. C&D regulations and requirements are posted on the city's websites. Education and process on C&D guidelines is provided at the City Building offices and through contacting the city franchised hauler directly while filling out WMPs to ensure the diversion requirements are being met. Very few self-haul, and usually only for small projects where materials can be sold or reused. Material is hauled to the South County Yuma Landfill in Yuma, AZ, a mixed MRF facility.</p> <p>No mixed material processing. C&D materials must be separated on-site or they will be landfilled. The C&D call center is in Chandler, AZ. If a customer requests information on diverted C&D waste, the agent will send a request to the field for follow-up and processing, as the diversion process is more specific. If a customer does not mention the desire to divert C&D material, the agent will sell a construction dumpster.</p>
<input checked="" type="checkbox"/> 4090-SP-RND Rendering	2021: No changes reported.
<input checked="" type="checkbox"/> 6000-PI-PLB Product and Landfill Bans	2021: IVRMA and city representative are working on the procedures and process updates to obtain that data that has not been established for htis year. IVRMA will be working with the city to improve data collection and the data for the full 2022 report year.

<input checked="" type="checkbox"/> 6010-PI-EIN Economic Incentives	2021: IVRMA and city representative are working on the procedures and process to obtain that data that has not been established this year. IVRMA will be working with the city to improve data collection and the data for the full 2022 report year.

Hazardous Waste Programs: Imperial Valley Resource Management Agency (2021)

SRRE Programs

Program Name	Program description
<input checked="" type="checkbox"/> 9000-HH-PMF Permanent Facility	2021-IVRMA operates three Household Hazardous Waste Facilities located in the City of El Centro, Calexico, and City of Brawley. The El Centro Facility is located at 702 E. Heil Avenue and is open every Saturday from 8 am to 12 pm. The facility in the City of Brawley located at 180 S. Western Avenue off of HWY 98, and the facility in the City of Calexico located at 500 W. 5th Street are open every other Sunday from 8 am to 12 pm.
<input checked="" type="checkbox"/> 9020-HH-CSC Curbside Collection	2021- IVRMA household hazardous waste facilities provide Free drop-off for residents in the Imperial Valley to properly dispose of Sharps, E-Waste, Oil, and HHW products that are flammable, corrosive, poisonous, toxic, and batteries, thermostats, and fluorescent lamps. During the calendar year 2021, the facilities in combination have collected over 197,400 lbs. of household hazardous waste materials. The chart below reflects a breakdown of the amounts collected per material type.
<input checked="" type="checkbox"/> 9030-HH-WSE Waste Exchange	2021-IVRMA's three household hazardous waste facilities are certified used oil collection centers. Residents and Conditionally Exempt Small Quantity Generators (CESQG's) are able to dispose and responsibly manage household hazardous waste products. IVRMA provides reuse and reduce, outreach and education programs to residents in the Imperial Valley. Collected household hazardous waste materials are properly transferred and handled through the corresponding certified hauler and recycler. The certified hauler and recycler contracted with IVRMA are Clean Earth Environmental, EFR Environmental Services, and Waste Management- Lamptracker.
<input checked="" type="checkbox"/> 9045-HH-EWA Electronic Waste	2021-IVRMA participated in 22 city clean-up collection events held periodically by the jurisdiction in correlation with the franchise hauler. The electronic waste exchange program allows residents from all seven cities; Brawley Calexico, Calipatria, El Centro, Imperial, Holtville, Westmorland, and the County of Imperial-unincorporated areas to properly dispose of electronics free of charge. During the calendar year 2021, IVRMA collected and properly shipped 171,324 lbs. of electronic waste through the contracted SES Recycling Services in San Diego, CA

Disposal Rate Calculation:Imperial Valley Resource Management Agency (2021)

Definition of Terms

"Disposal" - [Resources Code – PRC 40192](#). (a) Except as provided in subdivisions (b) and (c), "solid waste disposal," "disposal," or "dispose" means the final deposition of solid wastes onto land, into the atmosphere, or into the waters of the state. (b) For purposes of Part 2 (commencing with Section 40900), "solid waste disposal," "dispose," or "disposal" means the management of solid waste through landfill disposal, transformation, or EMSW conversion, at a permitted solid waste facility, unless the term is expressly defined otherwise.(c) For purposes of Chapter 16 (commencing with Section 42800) and Chapter 19 (commencing with Section 42950) of Part 3, Part 4 (commencing with Section 43000), Part 5 (commencing with Section 45000), Part 6 (commencing with Section 45030), and Chapter 2 (commencing with Section 47901) of Part 7, "solid waste disposal," "dispose," or "disposal" means the final deposition of solid wastes onto land.

Reporting-Year Disposal Amount (tons) – Defaults to the total tonnage disposed in the Reporting-Year by a jurisdiction as reported to the Recycling and Disposal Reporting System (RDRS). This total disposal contains all jurisdiction waste that was disposed in CA landfills (including Green Material ADC), transformation facilities, EMSW facilities, and exported out-of-state (including Green Material Potential Beneficial Reuse Exported), except for declared disaster debris disposal and disposal in Class II facilities, as those two types of tonnage are no longer tracked by jurisdiction of origin. Any changes will require you submit a [Reporting Year Disposal Modification Certification Sheet \(PDF\)](#). See [User's Guide](#) or contact LAMD representative if uncertain.

Disposal Reduction Credits - the EAR calculator will subtract these credits from your requested total in the Reporting-Year Disposal Amount field. Requesting credits will require you submit a [Reporting Year Disposal Modification Certification Sheet \(PDF\)](#). Descriptions of these credits can be found on that sheet. See [EAR User's Guide](#) or contact LAMD representative if uncertain.

Reporting-Year Transformation Waste (tons) – defaults to the total tonnage of waste sent in the Reporting-Year by a jurisdiction to a CalRecycle-permitted transformation facility as reported to the Recycling and Disposal Reporting System (RDRS). Transformation is factored into the Per Capita rate only, and is not deductible. To eliminate the Per Capita credit for transformation tonnage, change the *Reporting-Year Transformation Waste (tons)* number to 0.00.

Reporting-Year Population – January 1st estimate of the number of inhabitants occupying a jurisdiction in the Reporting-Year as prepared by the California Department of Finance (DOF)

Reporting-Year Employment – the estimate of the annual average number of employees by jurisdiction in the Reporting-Year as prepared by the California Employment Development Department (EDD).

Additional Definitions - for additional definitions and/or acronym descriptions, see the [LGCentral Glossary](#).

Landfill Disposal (tons):	169,536.31
Transformation (tons):	0.00
Engineered Municipal Solid Waste (EMSW) Conversion Facility (tons):	0.00
Green Material ADC (tons):	9,079.23
Green Material Potential Beneficial Reuse Exported (tons):	0.00
Reporting-Year Disposal Amount (tons):	178,615.54
Disposal Reduction Credits (Reported):	
Disaster Waste (tons):	0.00
Medical Waste (tons):	0.00
Regional Diversion Facility Residual Waste (tons):	0.00
C & D Waste (tons):	0.00
Class II Waste (tons):	0.00
Out of State Export (Diverted) (tons):	0.00
Other Disposal Amount (tons):	0.00
	<hr/>
Total Disposal Reduction Credit Amount (tons):	0.00
	<hr/>
Total Adjusted Reporting-Year Disposal Amount (tons):	178,615.54
Reporting-Year Transformation Waste (tons):	0.00
Reporting-Year Population:	179,488
Reporting-Year Employment:	60,883

Reporting-Year Calculation Results (Per Capita)

	Population		Employment	
	Target	Annual	Target	Annual
Disposal Rate without Transformation (pounds/person/day):		5.5		16.1
Transformation Rate (pounds/person/day):	1.6	0.0	4.9	0.0
The Calculated Disposal Rate (pounds/person/day)	7.9	5.5	24.3	16.1

Calculation Factors:Imperial Valley Resource Management Agency (2021)

Disposal Rate Accuracy

1. Are there extenuating circumstances pertaining to your jurisdiction's disposal rate that CalRecycle should consider, as authorized by the [Public Resources Code Section 41821\(c\)](#)? If you wish to attach additional information to your annual report, please send those items or electronic files to your LAMD representative; include a brief description of those files below. If so, please use the space below to tell CalRecycle.

- Yes. Please use the space below to tell CalRecycle.
- No.

Calculation Factors

If either 1. Alternative disposal or 2. Deductions to RDRS boxes are checked, please complete, and sign the [Reporting Year Disposal Modification Certification Sheet \(PDF\)](#) and save to your computer. You may enter the data and save the Disposal Modification Form to your computer. Then either upload the sheet and supporting documentation using the [Document Upload Section](#) before submitting your report, or mail, e-mail or FAX to CalRecycle within 7 business days of submitting your report. If you are only claiming report-year disposal deductions for waste transported to a certified Transformation facility, you do not need to fill out the certification request.

If 3. Green Material ADC (AB 1594) box is checked: Pursuant to [Public Resources Code \(PRC\) Section 41781.3](#) [(AB) 1594 ([Williams, Chapter 719, Statutes of 2014](#))], beginning in the 2017 EAR jurisdictions are required to include information on plans to address how green material that is being used as ADC will be diverted. Jurisdictions can review disposal facilities that assigned green material ADC and the amount by using the [RDRS Reports: Jurisdiction Disposal and Beneficial Reuse by Destination](#).

More information and brief instructions for using the inflow/outflow map is available on [CalRecycle's Green Material Used as Alternative Daily Cover \(ADC\)](#) webpage.

- 1. Alternative disposal tonnage
- 2. Deductions to RDRS disposal tonnage
- 3. Green Material ADC (AB1594)

2021 Imperial Valley Resource Management Agency Green Material ADC (tons): 9,079.23

- Our jurisdiction has submitted a request to facilities that have assigned green material ADC to our jurisdiction to adjust the tons assigned as we believe they may be misallocated
 - For reporting entities that check this box, the following questions may still require answers if there was green material assigned at the time this EAR was made available for editing. If the tons were changed in RDRS after the date the EAR opens for reporting by jurisdictions, please note that revised information in the answer to the first question below including the tons adjusted, facility name(s), date(s) the changes were made in RDRS system.

1. Please describe in the box below the jurisdiction's plans to divert green material that is being used as ADC.

pending edit

2. If the jurisdiction is not meeting the requirements of Section 41780 as a result of not being able to claim diversion for the use of green material as alternative daily cover, then please identify and describe the barriers to recycling green material.

3. If the jurisdiction is not meeting the requirements of Section 41780 as a result of not being able to claim diversion for the use of green material as alternative daily cover, and if sufficient capacity at facilities that recycle green material is not expected to be operational before the jurisdiction's next review pursuant to Section 41825, then the jurisdiction should include a plan to address the barriers identified in the second question that are within the control of the jurisdiction.

Although you will be able to submit your electronic Annual Report without completing a disposal modification form, your Annual Report will not be deemed complete until it is completed and received by CalRecycle. Contact your [LAMD representative](#) for details.

Waivers and Exemptions: Imperial Valley Resource Management Agency (2021)

Ordinances

- Mandatory organic waste disposal reduction ordinance (SLCP)
- C & D ordinance
- Mandatory commercial recycling ordinance
- Mandatory multifamily recycling ordinance
- Mandatory residential recycling ordinance
- Mandatory waste collection ordinance
- Recycled content procurement ordinance
- Antiscavenging ordinance
- Green building ordinance
- Model water efficient landscape ordinance
- Single use foodware and litter reduction ordinance
- Safe consumer-generated sharps disposal ordinance
- Safe pharmaceutical disposal ordinance
- Plastic bags and/or single use plastic bags ordinance
- Polystyrene (food and drink containers etc.) ordinance
- Mulch ordinance
- Edible Food Recovery ordinance
- CALGreen (LEED or other Green Building requirements) ordinance
- Other ordinances (describe below)

SRRE Programs

Program Name	Program description
<input checked="" type="checkbox"/> 6020-PI-ORD Ordinances	2021: IVRMA Members; City of Calexico, El Centro, Brawley, Holtville, Imperial, Westmorland, and County of Imperial have adapted their ordinances incorporating AB341, AB1826, and SB1383.

Planning Documents: Imperial Valley Resource Management Agency (2021)

Rural Petition for Reduction

Was your jurisdiction granted a Rural Petition for Reduction by CalRecycle? See [Jurisdictions with an Approved Petition for Rural Reduction](#). For more information regarding Rural Petition for Reduction, go to [Rural Solid Waste Diversion Home Page](#).

- Yes. If yes, please discuss whether the conditions under which the petition was granted still apply.
- No.

Newly Incorporated Cities

Since the date of your last Annual Report, are there any newly incorporated cities within your county/regional agency?

- Yes. Enter new city name, incorporation date, and population at time of incorporation in the text box below.
- No.

Source Reduction and Recycling Element (SRRE)

Does the SRRE need to be revised?

- Yes. Explain below why the SRRE is not adequate, the revisions that are necessary and the timeline for making those revisions. Note: Diversion program information is updated in each Annual Report, SB 1066 time extension or alternative diversion requirement report, compliance order, etc. So, before taking any action on the revision process, please contact your LAMD representative for further discussion and additional information.
- No. Please add any notes or updates below.

Household Hazardous Waste Element (HHWE)

Does the HHWE need to be revised?

- Yes. Explain below why the HHWE is not adequate, the revisions that are necessary and the timeline for making those revisions. Note: Diversion program information is updated in each Annual Report. So, before taking any action on the revision process, please contact your LAMD representative for further discussion and additional information.
- No. Please add any notes or updates below.

Non-Disposal Facility Element (NDFE)

Describe below any changes in the use of [non-disposal facilities](#), both existing and planned (e.g., is the jurisdiction using a different facility within or outside of the jurisdiction, has a facility closed, is a new one being planned).

2021: No Changes

Are there currently any non-disposal facilities that require a solid waste facility permit located (or planned to be sited) in your jurisdiction that are not identified in your NDFE?

- Yes. Your NDFE may need to be amended before the permit for this facility comes before CalRecycle for concurrence. If the facility is not identified in the NDFE, the permit may not be in conformance with your NDFE, and the permit may be denied. See CalRecycle's NDFE Guidelines at <https://www.calrecycle.ca.gov/LGCentral/Library/Policy/NDFEGuide.htm> and contact your LAMD representative if you have any questions about the need to amend your NDFE.
- No. Please add notes or updates below.

Summary Plan

Does the Summary Plan need to be revised?

- Yes. Discuss below. Include a time schedule for revising the Summary Plan. Please contact your LAMD representative to request additional information and guidance.
- No. Please add any notes or updates below.

Areas of concern

Did CalRecycle require your jurisdiction to address any areas of concern when determining the adequacy of your solid waste planning documents, or any of their elements?

- Yes. Below, discuss the actions taken to address the areas of concern.
- No.

Conditional approvals

Did CalRecycle give conditional approval to any of your solid waste planning documents, or any of their elements?

- Yes. Below, discuss the actions taken gain full approval of the plan/elements.
- No.

Total County or Agency Wide Disposal Capacity

If you do not currently have 15 years of disposal capacity, describe your strategy for obtaining 15 years of capacity.

N/A

Based on the best available estimates of current and future disposal, how many years of disposal capacity does your county or regional agency have?

2021: 200 years

Siting Element Adequacy

Does the Siting Element need to be revised? The Siting Element will need to be revised if you have less than 15 years disposal capacity and have not described a strategy for obtaining 15 years disposal capacity.

- Yes. In the box below, provide a time schedule for revising your Siting Element. Also discuss new disposal sites or disposal strategies that changed during the report year, and how those strategies will allow the county or regional agency to attain 15 years of disposal capacity. Please also contact your LAMD representative for additional information and guidance.
- No. This county or regional agency has more than 15 years of disposal capacity, has experienced no major changes in disposal practices in the past year, and expects no such changes in the near future. Please include any notes or updates below.

Additional Information and Document Management: Imperial Valley Resource Management Agency (2021)

SRRE and HHWE Diversion Programs

1000-SR-XGC (Xeriscaping/Grasscycling)		
Current Status: SO - Selected and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: Yes
		Owned or Operated: Yes
Selected Program Details: Xeriscaping Grasscycling		
Jurisdiction Notes: 2021: Education is provided to residents on green waste recycling. The City's and County Parks and Recreation areas continue mulching practices where the grass is not picked up. Organic education and recycling bins or totters are provided to businesses with landscaping services. Business owners and property managers offer informational flyers and pamphlets promoting green waste recycling. Greenwaste education is shared on social media and city halls. Areas around building entrances and public right of ways continue using grass clippings are mulched and left on the ground de service.		
1010-SR-BCM (Backyard and On-Site Composting/Mulching)		
Current Status: SO - Selected and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: Yes
		Owned or Operated: No
Jurisdiction Notes: 2021: the University of California in the City of Holtville, has a Master Gardener Program and will be applying alongside California Alliance for Community Compost to provide residents the opportunity to learn hands-on about composting. Given the program, the University of California is looking at building 4 compost hubs and working with schools throughout the Imperial Valley.		
1020-SR-BWR (Business Waste Reduction Program)		
Current Status: AO - Alternative and Ongoing	Program Start Year: 2006	Existed before 1990: Yes
	Report Year Diversion Tons: 0	Selected in SRRE: Yes
		Owned or Operated: Yes

Jurisdiction Notes:

2021 IVRMA: IV Food Bank (IVFB) food assistance program distributed over 932,838 lbs of food during 2021. Over 871,000 lbs. of food were donated from local farmers and local stores (Aldi, Food 4 Less, Walmart, Target, Vons, and Costco). Any non-usable food or non-eatable food is picked up by the goat farm and fed to the animals. IVFB is partnered with 32 agencies and Mobil Food Pantries in locations throughout Ocotillo, Winter Haven, 4 in Calexico, Brawley, Salton Sea, Bombay, Niland, Calipatria, El Centro, Heber, and Westmorland.

1030-SR-PMT (Procurement)

Current Status: SO - Selected and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: Yes
		Owned or Operated: Yes

Selected Program Details:

Recycled-Content Paper (janitorial supplies, paper towels, etc.) | Recycled-Content Paper (white & colored ledger, computer paper, other office paper, etc.)

Jurisdiction Notes:

2021 IVRMA: Policies include the purchasing of recycled paper and office products, janitorial paper/products, compost/mulch, and toner cartridges, cities are considering hybrid vehicles and the use of rubberized asphalt to cover potholes in alleys and paving streets.

1050-SR-GOV (Government Source Reduction Programs)

Current Status: SO - Selected and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: Yes
		Owned or Operated: Yes

Jurisdiction Notes:

2021 IVRMA commercial properties recycle mulch. Asphalt and concrete recycling is still used on county roads to cover potholes. haulers have begun to roll out organic totters to residents for organic green waste. Commercial properties such as golf courses recycle mulch. Mowers are set up to grasscycle and monthly mailers are sent to businesses with the SB1826 MORE information.

1060-SR-MTE (Material Exchange, Thrift Shops)

Current Status: SO - Selected and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: Yes
		Owned or Operated: Yes

Jurisdiction Notes:
 2021: The Imperial Valley has continued to collect and distribute recovered food through the local Food Bank, Salvation Army, Church food drive, and homeless shelters. Local Salvation Army Thrift shops and the Women Haven all make significant contributions to the community with clothes, household items, and furniture that are given to residents or sold in thrift stores. The estimated number of reused and recycled items increased during the pandemic COVID-19 from Woman Haven and Salvation Army Thrift Stores to 70 tons a year. Woman Haven and Salvation Army accept many kinds of donations for the community to reuse. Woman Haven and Salvation Army accept donations from cars, cash, boats, trucks, vans, RVs, clothing, furniture, canned goods, household items, and more. Typically a travel-load truck a month or about 85 tons a year.

1070-SR-OTH (Other Source Reduction)

Current Status: AO - Alternative and Ongoing	Program Start Year: 2006	Existed before 1990: Yes
	Report Year Diversion Tons: 0	Selected in SRRE: Yes
		Owned or Operated: Yes

Jurisdiction Notes:
 2021: Cities of Brawley, Calexico, Calipatria, El Centro, Holtville, Imperial, Westmorland, and the County of Imperial have implemented a source reduction program ordinance for SB341, SB1826, and AB1383. All jurisdictions have planned to complete MCR and Organics rollouts by the end of 2022.

2000-RC-CRB (Residential Curbside)

Current Status: AO - Alternative and Ongoing	Program Start Year: 2001	Existed before 1990: Yes
	Report Year Diversion Tons: 0	Selected in SRRE: No
		Owned or Operated: No

Jurisdiction Notes:
 2021: No Changes. The cities of Brawley, Calexico, and Imperial collected recyclables and are taken to the MFR located in El Centro. Calipatria, El Centro, Holtville, and Westmorland cities recyclables are taken to their MRF located in Yuma, AZ. The County of Imperial has now three environmental waste haulers serving the unincorporated areas: Burrtec Environmental, CR&R Environmental Waste Services, and Republic Waste Services, providing curbside service.

2010-RC-DRP (Residential Drop-Off)

Current Status: AO - Alternative and Ongoing	Program Start Year: 2006	Existed before 1990: Yes
	Report Year Diversion Tons: 0	Selected in SRRE: Yes
		Owned or Operated: No

Jurisdiction Notes:
 2021:Imperial Valley residents are provided with 3 96 gl carts, black for trash, blue for recycle and green for yard/food. The commercial properties has 2 metal bins, 1 for trash 1 for recycle and a 68 gl green cart for organic.

2030-RC-OSP (Commercial On-Site Pickup)

Current Status: AO - Alternative and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: No
		Owned or Operated: No

Jurisdiction Notes:

2021 IVRMA: Electronic: IVRMA's website and social media provide residents with information on AB341 MCR, SB1826 MORe, AB1383 SLCP, and AB939 Household Hazardous Waste programs and locations. City websites provide a link to IVRMA and CalRecycle, city ordinance, and information on Cal Recycle Mandates and hauler collection information. Print: IVRMA and its member agencies provide residents with information about the state law to be inserted with the Cities' commercial refuse billings. The frequency of sending this out in the billings was proposed to be as needed. Hauler/IVRMA provides brochure guides when making direct contact with businesses/complexes or during participation on community/outreach events. City to send noncompliance letters to non-participating businesses. Media: IVRMA runs a 30-second video at the local DMV department in the cities of El Centro and Brawley on AB341. Direct Contact: The IVRMA conducts presentations to businesses and/or the local Chamber of Commences about the state requirements when warranted or upon request. The haulers'/IVRMA staff informs businesses/MF complexes about CalRecycle mandates as they talk to them about the collection system. IVRMA provides additional outreach and education to multifamily and businesses once service begins to encourage participation and reduce contamination. IVRMA also participates in litter clean-up events, city clean up events, and community events to increase awareness of recycling mandates and the proper disposal.

2050-RC-SCH (School Recycling Programs)

Current Status: AO - Alternative and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: Yes
		Owned or Operated: No

Jurisdiction Notes:

2021: During the calendar year 2021 IVRMA could not provide any on-site school presentations. IVRMA participated in back-to-school events and ride-your-bike-to-school rallies to give children education/information on recycling mandates. IVRMA provides 5 different recycling presentations or informative booths in English and Spanish:(1) Introduction to Recycling (2)Buying Recycling Products (3)Used oil and beyond (4) Household Hazardous Waste (5)Vermi Composting. Information is for audiences from K-12th grade. Recycling wastebaskets are provided to schools for in-class separation of recyclables. Haulers have a solid waste contract with the schools and recycling is offered and cost varies from school to school.

2060-RC-GOV (Government Recycling Programs)

Current Status: AO - Alternative and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: No

		Owned or Operated: Yes
Jurisdiction Notes: 2021: City entities have encouraged recycling containers to be located next to the desks, in the break room, and in conference rooms. White office paper recycling is available. Office equipment and toner cartridges are recycled by UPS daily as generated. Corporation Yards/ Fleet Services: recycle mechanical fluids including used oil, brake fluids, and antifreeze. Car batteries from the fleet of vehicles are exchanged when batteries are replaced and properly disposed of.		
2070-RC-SNL (Special Collection Seasonal (regular))		
Current Status: AO - Alternative and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: No
		Owned or Operated: Yes
Jurisdiction Notes: 2021:IVRMA works in correlation with the franchised hauler and throughout the county to provide residents with a monthly city clean-up. During 2021 IVRMA participated in over 20 city and county wide clean up events. IVRMA has three HHW facilities that will accept used tires and e-waste which will be taken to certified recyclers to be recycled.		
2080-RC-SPE (Special Collection Events)		
Current Status: AO - Alternative and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: No
		Owned or Operated: Yes
Jurisdiction Notes: 2021: Jurisdiction and County-wide provided a total of 22 city clean up events to residents. Over 52,299 tons of E-Waste and 4,225 tires where collected.		
2090-RC-OTH (Other Recycling)		
Current Status: AO - Alternative and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: Yes
		Owned or Operated: Yes
Jurisdiction Notes: 2021: Jurisdiction is working with ICTC to reduce the development of greenhouse gas emissions. looking into zero-emission technology and zero-emission bus concepts. In addition to the recycling education and outreach efforts on SLCP, cities alongside the Imperial County Transportation Commission (ICTC) is currently working on the reduction of border wait times and other concepts to reduce greenhouse gas emission. Other programs available are mattress and carpet recycling.		
3000-CM-RCG (Residential Curbside Greenwaste Collection)		
Current Status: SO - Selected and Ongoing	Program Start Year: 2006	Existed before 1990: No

	Report Year Diversion Tons: 0	Selected in SRRE: Yes
		Owned or Operated: No
Jurisdiction Notes: 2021: No changes		
3010-CM-RSG (Residential Self-haul Greenwaste)		
Current Status: AO - Alternative and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: No
		Owned or Operated: No
Jurisdiction Notes: 2021: the University of California in the City of Holtville, has a Master Gardener Program and will be applying alongside California Alliance for Community Compost to provide residents the opportunity to learn hands-on about composting. Given the program, the University of California is looking at building 4 compost hubs and working with schools throughout the Imperial Valley.		
3020-CM-COG (Commercial On-Site Greenwaste Pick-up)		
Current Status: SO - Selected and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: No
		Owned or Operated: Yes
Selected Program Details: Green Waste Food Waste		
Jurisdiction Notes: 2021: the University of California in the City of Holtville, has a Master Gardener Program and will be applying alongside California Alliance for Community Compost to provide residents the opportunity to learn hands-on about composting. Given the program, the University of California is looking at building 4 compost hubs and working with schools throughout the Imperial Valley.		
3035-CM-COR (Commercial Organics Recycling)		
Current Status: PF - Planned in Future	Program Start Year: 2016	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: No
		Owned or Operated: No

Jurisdiction Notes:

2021: Republic Waste Services has an MRF located at 702 E. Heil Ave in El Centro, Ca. Which is used for their franchised cities Brawley, Calexico, & Imperial. Republic Also owns a Landfill in Yuma Az (Cooper Mountain Landfill) which is permitted for organics composting and no longer using green waste as ADC at Imperial Landfill. CR&R owns a landfill in Yuma (South County Yuma Landfill) that is permitted for organic composting. CR&R takes all their green waste to Yuma for composting. During the year 2022, the jurisdiction worked with the franchised haulers on new rates, and roll-out timelines, and updated their franchised contracts.

3040-CM-FWC (Food Waste Composting)

Current Status: AO - Alternative and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: No
		Owned or Operated: No

Jurisdiction Notes:

2021- Imperial Valley residents, multifamily dwellings, and businesses have been receiving organic containers or totters. FRanchised haulers have changed the lids on recycling containers with green for organic waste. Roll-out to all residents, multifamily dwellings, and businesses in progressing.

3050-CM-SCH (School Composting Programs)

Current Status: AO - Alternative and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: No
		Owned or Operated: Yes

Jurisdiction Notes:

2021: the University of California in the City of Holtville, has a Master Gardener Program that provides residents and children the opportunity to learn hands-on about composting. The El Centro Elementary School provides children with e a compost yard and education.

3060-CM-GOV (Government Composting Programs)

Current Status: PF - Planned in Future	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: No
		Owned or Operated: Yes

Jurisdiction Notes:

2021: No Changes

4020-SP-TRS (Tires)

Current Status: SO - Selected and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: Yes

		Owned or Operated: Yes
Jurisdiction Notes: 2021: IVRMA manages two separate Tire Grants The Amnesty Grant (TA5) is used for City/County clean-ups of which 22 events were held for the year 2021 collecting over 8,500 tires. Tire Clean Up Grant TCU 18 is a two-year grant that is used to pick up illegally dumped tires in Imperial county. In 2021 IVRMA picked up over 20,000 tires that were sent to a certified tire Recycler (Rubber Recovery Inc.) where they are recycled by the process of reducing the tires to crumb and then manufactured into other products.		
4030-SP-WHG (White Goods)		
Current Status: SO - Selected and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: Yes
		Owned or Operated: No
Jurisdiction Notes: 2021: Monthly bulky item pick-up is available to residents of the Imperial Valley at no additional charge once a month. Franchised haulers, CR&R and Republic have bulky item pick up program that allows residents to dispose of furniture, mattresses, and white goods properly. resident may call the hauler to pick up no more than 5 items per-stop within a 30 day time period.		
4040-SP-SCM (Scrap Metal)		
Current Status: AO - Alternative and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: No
		Owned or Operated: Yes
Jurisdiction Notes: 2021: SA Recycling located at 460 East Holton Rd. El Centro is a complete scrap yard accepting a wide assortment of ferrous metals, including vehicle recycling, appliances, oil filters, and demolition services. Responsible for diverting tons of material from the local landfills.		
4050-SP-WDW (Wood Waste)		
Current Status: SO - Selected and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: Yes
		Owned or Operated: Yes
Jurisdiction Notes: 2021: CR&R takes the collected wood waste to Stanton for chipping. No additional information or changes were reported.		
4060-SP-CAR (Concrete/Asphalt/Rubble)		
Current Status: SO - Selected and Ongoing	Program Start Year: 2006	Existed before 1990: No

	Report Year Diversion Tons: 0	Selected in SRRE: Yes
		Owned or Operated: No
<p>Jurisdiction Notes: 2021: Cities of Brawley, Calexico, Calipatria, El Centro, Holtville, Imperial, Westmorland, and the County of Imperial have C&D ordinances in place. C&D regulations and requirements are posted on the city's websites. Education and process on C&D guidelines is provided at the City Building offices and through contacting the city franchised hauler directly while filling out WMPs to ensure the diversion requirements are being met. Very few self-haul, and usually only for small projects where materials can be sold or reused. Material is hauled to the South County Yuma Landfill in Yuma, AZ, a mixed MRF facility.</p> <p>No mixed material processing. C&D materials must be separated on-site or they will be landfilled. The C&D call center is in Chandler, AZ. If a customer requests information on diverted C&D waste, the agent will send a request to the field for follow-up and processing, as the diversion process is more specific. If a customer does not mention the desire to divert C&D material, the agent will sell a construction dumpster.</p>		
4090-SP-RND (Rendering)		
Current Status: AO - Alternative and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: No
		Owned or Operated: No
<p>Jurisdiction Notes: 2021: No changes reported.</p>		
5000-ED-ELC (Electronic (radio ,TV, web, hotlines))		
Current Status: AO - Alternative and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: No
		Owned or Operated: Yes
<p>Jurisdiction Notes: 2021: IVRMA ran 23 public service radio announcements for City/County clean-up events. The Cities and County of Imperial continue to promote the educational program on city websites and social media. Franchised haulers provide bi-monthly flyers on recycling education and sustainability. IVRMA has also participated in over 20 community and litter clean-up events providing residents with an informational booth and educational flyers on AB341, SB1383, and AB939 and a representative available on-site to answer any questions.</p>		
5010-ED-PRN (Print (brochures, flyers, guides, news articles))		
Current Status: SO - Selected and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: Yes
		Owned or Operated: Yes

Jurisdiction Notes:
 2021 Electronic: IVRMA’s website and social media provide MCR, MORE, AB939, and SB1383 requirements information and educational recycling games. The franchised haulers, cities, and the County of Imperial have MCR, MORE, AB939, and SB1383 information on their web pages. Information, tips, and educational facts are shared through Social Media web pages by cities, County of Imperial, and IVRMA. A recycling guide is shared on IVRMA’s website. A video on AB341 plays every 30 seconds at the local DMV department in Brawley and El Centro cities.
 2021 Print: The IVRMA provides flyers and tri-folds on AB341, AB939, and SB1383 to residents and business owners. Free recycling waste baskets are provided to residents that are in compliance with recycling. Franchise Halers; Republic, and CR&R send out a newsletter with information on MCR and SB1383. The frequency of sending this out in the billings was proposed to be as needed. The city sends noncompliance letters to non-participating businesses. IVRMA stocks educational flyers at city halls, and public entities such as libraries, community centers, cool centers, etc.
 2021 Direct Contact: The IVRMA conducts presentations to businesses and the local Chamber of Commences about the state requirements when warranted or upon request. The haulers’/IVRMA staff informs businesses/MF complexes about AB341 as they talk to them about collection service. IVRMA provides additional outreach and education to multifamily and businesses once service begins to encourage participation and reduce contamination. During Annual site visits, LAMD staff, IVRMA, and Hauler visit customers that refuse to have recycling to assess the situation and encourage participation. Republic Services franchised cities: Brawley, Calexico & Imperial residents were provided with education when making direct contact with businesses/complexes, or when participating in community events.

5020-ED-OUT (Outreach (tech assistance, presentations, awards, fairs, field trips))

Current Status: SO - Selected and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: Yes
		Owned or Operated: Yes

Jurisdiction Notes:
 2021: IVRMA has participated in over 20 community and litter clean-up events providing residents with an informational booth and educational flyers on AB341, SB1383, and AB939 and a representative available on-site to answer any questions.

5030-ED-SCH (Schools (education and curriculum))

Current Status: SO - Selected and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: Yes
		Owned or Operated: Yes

Jurisdiction Notes:
 2021: Due to the COVID-19 pandemic restriction, IVRMA has not been able to provide any on-site school presentations for this year. Instead, IVRMA in correlation with the jurisdiction, IVRMA participated in back-to-school rallies providing recycling education and information to children, parents, and participating residents.

5040-ED-OTH (Other Public Education)

Current Status: AO - Alternative and Ongoing	Program Start Year: 2006	Existed before 1990: No
--	--------------------------	-------------------------

	Report Year Diversion Tons: 0	Selected in SRRE: No
		Owned or Operated: Yes
<p>Jurisdiction Notes: 2021 IVRMA uses social media, and radio ads, outreach in collaboration with the cities. Department of Health works with IVRMA to provide outreach and education on SB1383 during health inspections. The University of California provides a program composting.</p>		
6000-PI-PLB (Product and Landfill Bans)

Current Status: SO - Selected and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: Yes
		Owned or Operated: Yes

Selected Program Details:
 C & D ordinance | Mandatory commercial organics | Mandatory commercial recycling | Mandatory multi-family recycling | Mandatory residential recycling | Mandatory waste collection | Recycled content procurement | Mandatory residential greenwaste | Antiscavenging ordinance | Green building ordinance | Mandatory multi-family food waste

Jurisdiction Notes:
 2021: IVRMA Members; City of Calexico, El Centro, Brawley, Holtville, Imperial, Westmorland, and County of Imperial have adapted their ordinances incorporating AB341, AB1826, and SB1383.

7000-FR-MRF (MRF)

Current Status: SO - Selected and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: Yes
		Owned or Operated: No

Jurisdiction Notes:
 2021: Republic Services for the cities of Calexico, Brawley, and Imperial process recyclables at the MRF owned located at 702 E. Heil Avenue in El Centro, CA. City representatives were taken on a local tour and were provided with education on recycling.

CR&R Environmental Services transfers recyclables to Yuma Az.

7040-FR-ADC (Alternative Daily Cover)

Current Status: SO - Selected and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: Yes
		Owned or Operated: No

Jurisdiction Notes:
 2021: No changes

9000-HH-PMF (Permanent Facility)

Current Status: AO - Alternative and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: No
		Owned or Operated: Yes

Jurisdiction Notes:
 2021-IVRMA operates three Household Hazardous Waste Facilities located in the City of El Centro, Calexico, and City of Brawley. The El Centro Facility is located at 702 E. Heil Avenue and is open every Saturday from 8 am to 12 pm. The facility in the City of Brawley located at 180 S. Western Avenue off of HWY 98, and the facility in the City of Calexico located at 500 W. 5th Street are open every other Sunday from 8 am to 12 pm.

9020-HH-CSC (Curbside Collection)

Current Status: AO - Alternative and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: No
		Owned or Operated: Yes

Jurisdiction Notes:
 2021- IVRMA household hazardous waste facilities provide Free drop-off for residents in the Imperial Valley to properly dispose of Sharps, E-Waste, Oil, and HHW products that are flammable, corrosive, poisonous, toxic, and batteries, thermostats, and fluorescent lamps. During the calendar year 2021, the facilities in combination have collected over 197,400 lbs. of household hazardous waste materials. The chart below reflects a breakdown of the amounts collected per material type.

9030-HH-WSE (Waste Exchange)

Current Status: AO - Alternative and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: No
		Owned or Operated: Yes

Jurisdiction Notes:
 2021-IVRMA's three household hazardous waste facilities are certified used oil collection centers. Residents and Conditionally Exempt Small Quantity Generators (CESQG's) are able to dispose and responsibly manage household hazardous waste products. IVRMA provides reuse and reduce, outreach and education programs to residents in the Imperial Valley. Collected household hazardous waste materials are properly transferred and handled through the corresponding certified hauler and recycler. The certified hauler and recycler contracted with IVRMA are Clean Earth Environmental, EFR Environmental Services, and Waste Management- Lamptracker.

9045-HH-EWA (Electronic Waste)

Current Status: AO - Alternative and Ongoing	Program Start Year: 2006	Existed before 1990: No
	Report Year Diversion Tons: 0	Selected in SRRE: No
		Owned or Operated: Yes

Jurisdiction Notes:
 2021-IVRMA participated in 22 city clean-up collection events held periodically by the jurisdiction in correlation with the franchise hauler. The electronic waste exchange program allows residents from all seven cities; Brawley Calexico, Calipatria, El Centro, Imperial, Holtville, Westmorland, and the County of Imperial-unincorporated areas to properly dispose of electronics free of charge. During the calendar year 2021, IVRMA collected and properly shipped 171,324 lbs. of electronic waste through the contracted SES Recycling Services in San Diego, CA

Additional Information

Is there anything else you would like to tell CalRecycle about unique or innovative efforts by your jurisdiction to reduce organic waste generation and increase diversion, about your jurisdiction's public education efforts, or about specific obstacles to reaching your jurisdiction's implementation of an organic recycling program?

Brief description of additional information files, including calculation data for infrastructure planning.

Operator's Name
Name of Event or Facility
Operator's Mailing Address
City, State, and ZIP Code

Dear (*Operator's Name*),

In 2004 Governor Schwarzenegger signed Chapter 879, Statutes of 2004 (Montañez, Assembly Bill [AB] 2176) into law. AB 2176 is intended to increase opportunities for recycling and divert from landfills the waste materials generated by the largest events and venues in California.

A **large event** is defined as:

- An event that charges an admission price (or is operated by a local agency) and serves an average of more than 2,000 individuals (including employees and volunteers) per day of operation of the event. Events include, but are not limited to, a public, nonprofit, or private park, parking lot, golf course, street system, or other open space when being used for a public event, including, but not limited to, a sporting event or a flea market.

A **large venue** is defined as:

- A permanent venue facility that annually seats or serves an average of more than 2,000 individuals (including employees and volunteers) within the grounds of the facility per day of operation of the venue facility. A venue facility includes, but is not limited to, a public, nonprofit, or privately owned or operated stadium, amphitheater, arena, hall, amusement park, conference or civic center, zoo, aquarium, airport, racetrack, horse track, performing arts center, fairground, museum, theater, or other public attraction facility. A site under common ownership or control that includes more than one large venue that is contiguous with other large venues in the site is a single large venue.

(*Name of Event or Facility*) qualifies as a large (*event/venue*) as defined above. As such, the following State mandates apply:

- A representative of (*Name of Event or Facility*) must meet with recycling and solid waste service providers to develop a solid waste reduction plan and program implementation timeline. The plan should address all types of waste materials generated (paper, cardboard, beverage containers, food, etc.), and consider programs to reduce the volume or weight of each type of waste material generated. The plan must be updated every two years.
- The (*Jurisdiction's Name*) is mandated to annually submit to CalRecycle specified information regarding waste diversion programs at venues and events generating the greatest quantities of waste. (*Name of Event or Facility*) falls into this category. Therefore, you will need to submit the following information to the (*City/County*):
 - (1) For the year (20__), types and weight of waste disposed of in a landfill and types and weight of waste materials diverted from a landfill through recycling or other efforts.
 - (2) Written documentation of the waste reduction, reuse, and recycling programs being implemented in the year (20__).

(3) A brief explanation for delay, if any waste diversion program was not implemented as planned.

Please complete the Venue/Event Waste Diversion/Recycling Reporting Form.

By statutory mandate, you have thirty days from the date of this letter to submit your completed form via e-mail to (*e-mail address*),

via fax to (____) ____ - ____ or via US mail to:

Jurisdiction Name

Department

Address

City, State, Zip Code

The following venue/event descriptions may assist you in completing the reporting form:

Fair: If the fairground venue does not have sufficient attendance per day of operation to be considered large, but the fair itself does meet the definition, check the Fair box and report only on the activities of the fair and not all events held at the fairground.

Fairground: If the fairground venue does have sufficient attendance per day of operation to be considered large, check the **Fairground** box and collectively report on all the events held at the fairground.

Music festival/concert (event): Includes festivals/concerts that are considered large and that are conducted at a non-venue location, such as a park, beach, street, school, etc., or that are conducted at a venue (such as a stadium) that does not have sufficient attendance per day of operation to be considered a large venue.

Participatory sport venue: Includes golf courses, ski resorts, pools, etc.

Sporting event: Includes marathons, auto, motorcycle or bicycle races; soccer or volleyball tournaments, etc. that are considered large and that are conducted at a non-venue location, such as a park, beach, street, etc., or that are conducted at a venue (such as those listed on this page) that does not have sufficient attendance per day of operation to be considered a large venue.

Theater/amphitheatre/auditorium (venue): Includes live theater and movie theaters.

Other: Venues and events that do not fit any of the categories on the report form.

If you are receiving this letter as the operator of event that is one of several events hosted by a permanent venue facility, it means that the venue facility does not have sufficient average attendance per day of operation to necessitate collectively reporting on all events hosted at the facility. However, your event has been identified as a large event that must report.

In addition, you may find the following definitions useful:

Disposed Tons: The weight, in tons, of all waste created which is disposed at permitted landfills, at transformation facilities, or is exported from the State.

Diverted Tons: The weight, in tons, of all materials that through any combination of waste prevention (source reduction), recycling, reuse and composting activities that would have otherwise been disposed at permitted landfills and transformation facilities.

You are asked to indicate on the form the wastes you generate and the material(s) you divert from landfill. Definitions of the materials listed can be found at

<https://www2.calrecycle.ca.gov/WasteCharacterization/MaterialType/>. You are also asked to indicate the programs you use to divert those materials from landfill. Please visit <http://www.calrecycle.ca.gov/lgcentral/paris/Codes/Reduce.htm> for information on the activities included in each type of diversion program listed.

The (*Jurisdiction's Name*) looks forward to working with the (*Name of Event or Facility*) to reduce waste and keep California green.

For more detailed information regarding this law and for other valuable waste diversion information, please refer to <http://www.calrecycle.ca.gov/Venues/>. If you have any questions or need assistance in completing the reporting form or developing and implementing your waste diversion programs, please contact (*Local Recycling Coordinator's Name*) at (____) ____-____ or (*e-mail address*).

Thank you,

This form cannot be used to release a lien on a vehicle with an Electronic Lien Title (ELT)

- Replacement Title (Complete Sections 1 - 3)
- Transfer of Title with Replacement (Seller completes Sections 1 - 4, New Owner completes Sections 6 and 7, as needed.)

VEHICLE LICENSE PLATE OR VESSEL CF NUMBER	VEHICLE/HULL IDENTIFICATION NUMBER	YEAR/MAKE OF VEHICLE OR VESSEL BUILDER
---	------------------------------------	--

SECTION 1 — REGISTERED OWNER(S) OF RECORD — Please print name as it appears on the Title/Registration.

TRUE FULL NAME (LAST, FIRST, MIDDLE, SUFFIX), BUSINESS NAME, OR LESSOR	DRIVER LICENSE/ID CARD NUMBER	STATE
CO-OWNER TRUE FULL NAME (LAST, FIRST, MIDDLE, SUFFIX)	DRIVER LICENSE/ID CARD NUMBER	STATE
PHYSICAL RESIDENCE OR BUSINESS ADDRESS (INCLUDE ST., AVE., ETC.) APT./SPACE/STE. # CITY	STATE	ZIP CODE
COUNTY OF RESIDENCE OR COUNTY WHERE VEHICLE/VESSEL IS PRINCIPALLY GARAGED		
MAILING ADDRESS (IF DIFFERENT FROM ABOVE)	APT./SPACE/STE. # CITY	STATE ZIP CODE

SECTION 2 — LEGAL OWNER OF RECORD (LIENHOLDER/TITLE HOLDER) — Do not enter name of owners above.

NAME OF BANK, FINANCE COMPANY, OR INDIVIDUAL HAVING A LIEN ON THIS VEHICLE		
BUSINESS OR RESIDENCE ADDRESS	APT./SPACE/STE. # CITY	STATE ZIP CODE

SECTION 3 — MISSING TITLE STATEMENT — WARNING: Issuance of a replacement title cancels the original title.

If your address is different than what appears in the Department's records, you must file this application in person, bring the original or photo copy of proof of ownership (i.e. Registration Card or Registration Renewal Notice), and your Driver License or Identification Card. If the title has been replaced within the last 90 days, a CHP vehicle verification is required.

- The Certificate of Title issued for this vehicle/vessel is (check box):
- Lost Stolen Illegible/Mutilated (Attach old title)
- Not Received from Prior Owner Not Received from DMV (Allow 30 days from issue date)

I agree to indemnify and save harmless the Director of Motor Vehicles for any loss suffered resulting from the issuance of said replacement Certificate of Title. I certify (or declare) under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

PRINTED NAME OF OWNER	SIGNATURE OF OWNER	DATE	DAYTIME TELEPHONE NUMBER
	X		()

SECTION 4 — REGISTERED OWNER(S) RELEASE OF OWNERSHIP AND/OR INTEREST

I/we release interest in the described vehicle/vessel. NOTE: The signature of EACH owner is required if co-owners are joined by AND (shown by / on DMV records). The signature for a company or business MUST include the printed name of the company/business and an authorized representative's countersignature on the signature line (e.g., ABC CO., by JOHN SMITH - or - JOSEPH SMITH for ABC CO).

PRINTED NAME OF OWNER	SIGNATURE OF OWNER	DATE	DAYTIME TELEPHONE NUMBER
	X		()
PRINTED NAME OF OWNER	SIGNATURE OF OWNER	DATE	DAYTIME TELEPHONE NUMBER
	X		()

SECTION 5 — LEGAL OWNER OF RECORD RELEASE OF OWNERSHIP AND/OR INTEREST — Must be notarized.

The undersigned lienholder (legal owner of record) certifies release of interest in the vehicle/vessel. This section and the Lien satisfied (REG 166) form cannot be used for non-ELT participants with vehicles 2 model years old or newer. The legal owner (i.e., bank, finance company, etc.) of record must apply for a replacement title first, and then release interest on the actual title.

PRINTED NAME OF AUTHORIZED AGENT SIGNING FOR COMPANY	TITLE OF AUTHORIZED AGENT SIGNING FOR COMPANY	DAYTIME TELEPHONE NUMBER
		()
SIGNATURE OF LEGAL OWNER (COMPANY NAME AND AUTHORIZED AGENT'S COUNTERSIGNATURE)		DATE
X		

NOTARY USE ONLY

A notary public or other officer completing this certificate verifies only the identity of the individual who signed the document to which this certificate is attached, and not the truthfulness, accuracy, or validity of that document.

State of California

County of _____

On _____ before me, _____ (HERE INSERT NAME AND TITLE OF THE OFFICER)

personally appeared _____, who proved to me on the basis of satisfactory evidence to be the person(s) whose name(s) is/are subscribed to the within instrument and acknowledged to me that he/she/they executed the same in his/her/their authorized capacity(ies), and that by his/her/their signature(s) on the instrument the person(s), or the entity upon behalf of which the person(s) acted, executed the instrument.

I certify under PENALTY OF PERJURY under the laws of the State of California that the foregoing paragraph is true and correct.

WITNESS my hand and official seal.

SIGNATURE _____

(SEAL)

THIS SIDE FOR NEW OWNERS – EACH NEW OWNER MUST SIGN BELOW
 Complete transfer within 10 days of taking possession of vehicle/vessel.

Must complete vehicle information below:

VEHICLE LICENSE PLATE OR VESSEL CF NUMBER	VEHICLE/HULL IDENTIFICATION NUMBER	YEAR/MAKE OF VEHICLE OR VESSEL BUILDER
---	------------------------------------	--

SECTION 6 — NEW REGISTERED OWNER(S) — Print true full name as shown on Driver License/Identification Card.

If the vehicle was purchased or received from a qualified relative [parent/child, grandparent/grandchild, spouse, domestic partner, siblings (must be minors, related by blood or adoption)], a Statement of Facts (REG 256) form, Statement of Use Tax Exemption, must also be submitted.

Once registered, to sell, gift, or otherwise transfer ownership, co-owners joined by "AND (I)" require the signature of each owner; co-owners joined by "OR" require the signature of only one owner.

The signature for a company or business MUST include the printed name of the company/business and an authorized representative's countersignature on the signature line (e.g., ABC CO., by JOHN SMITH - or - JOSEPH SMITH for ABC CO.).

We are the UC Master Gardener Program

Advice to Grow By.. Ask Us!

2023 Master Gardener Program

Kristian Salgado
UCCE Imperial County
Master Gardener Coordinator

University of California
Agriculture and Natural Resources

UCCE Master Gardener Program

Today's Agenda

- Who are the UCCE Master Gardeners?
- Who do we represent?
- How do we help our community?

- Opportunities to work together!

University of California

Agriculture and Natural Resources

■ UCCE Master Gardener Program

Master Gardener Mission Statement

“To extend research-based knowledge and information on home horticulture, pest management, and sustainable landscape practices to the residents of California and be guided by our core values and strategic initiatives.”

© University of California

University of California
Agriculture and Natural Resources

■ UCCE Master Gardener Program

We Promote:

- Environmentally responsible and sustainable horticultural practices
- Composting green-waste, reducing landfill materials and improving air quality
- Protecting water quality and promoting water conservation

University of California

Agriculture and Natural Resources

UCCE Master Gardener Program

Our Outreach Includes:

- Educating the public about sustainable landscaping practices such as composting and using less toxic pesticides.
- Encouraging the public to grow and eat more fruits and vegetables.
- Promoting pollinator gardens and attracting other beneficial insects.

Imperial County Program History

- In 2020 the UC Master Gardener Program of Imperial County was funded by the The Agricultural Benefit Program for 2 years
- Coordinator hired in April 2022
- Goal: Is to train 50 Master Gardener Volunteers from Jan – Jun. 2023

University of California

Agriculture and Natural Resources

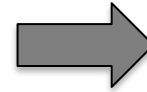

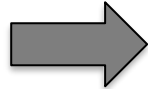

■ UCCE Master Gardener Program

Program Requirements

- Trainees: 50 hours of volunteer time the first year.
- Year 2 and beyond
 - 25 Volunteer hours
 - 12 Continuing education (CE) hours
- Volunteer time is completed in Imperial County.

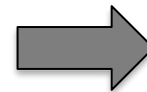

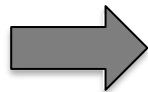

Life Cycle of UC Master Gardener

- Application & Interview

- Training

- Graduation

- 1st year
- 50 volunteer hrs

- 25 hrs per year
- 12 hrs C.E.

- 1,000 hours gold badge

Master Gardener Training

- **Sat. January 21st, 2023 - April 29th, 2023**
- Saturday, 9 am – 12:30 pm
- UCCE Advisors & Specialists provide training.
- Cost : \$130 + ~\$25 live scan

How do I apply?

- Applications will be available on Sept 26, 2022. - Friday, November 18, 2022 (online app and hard copy)
- https://ucanr.edu/sites/ImperialCountymg/Become_a_UC_Master_Gardener_Volunteer/

Cal Recycle Community Composting in Green Spaces Grant (CCGS)

The purpose of this competitive grant program is to increase the number of community groups operating small-scale composting programs in green spaces within disadvantaged and low-income communities, and to increase the capacity of those composting programs.

UCCE Master Gardener Program

Thermophilic “HOT” Composting

- *Super-active microbes generate heat in proper conditions*
 - *All materials must be available at the same time, chopped ($\frac{1}{2}$ " - $1\frac{1}{2}$ ") & mixed*
- *Minimum volume: 3'x 3'x 3'*
(1 cubic yd. = 27 cubic ft.)
- *Requires frequent turning*
- *Finished compost in one to three months*
